I forgot one thing – I got a discovery request from the defense attorney, which she said she spoke with you about in court the last time you were out here. She told me you said it would be okay to fax it to you – is that correct? If so, what is your fax number? Thanks again!

Hey Sonja – yes, I think you are coming out on the [REDACTED] case, right? Thank you so much for keeping us updated!

I think that November 30th is good - I already have a case in Pittsfield District court that day, as well as one in Holyoke, but there shouldn't be a problem getting out of that one (we've gotten a handful of summons from them, but never had to go and testify).

Hi Sonja – I tried to get it put on the 18th, but apparently the defendant is unavailable. I have left a message with the defense attorney about this. I will keep you posted. Thanks!

I currently have a case in Westfield District Court scheduled for the 17th of November, but I will be in Pittsfield on the 18th.

Hello, Sonja – How are you? Hope all is well. This is the case that was on for trial tomorrow, but I have continued as I know you need to be in another court. There is a new trial date of 11/17/09. Is that date okay with you? Also, analysis number on [REDACTED] case is [REDACTED]
Thanks!
